"Jaws" offers a wide open target!

No. 1 Goal....Line up and make those long putts!

On Tuesdays, young golfers arrived with their golf bags and smiles and were ready to learn the game of golf. The older crew received instruction on the driving range and played a few holes of golf, working on short game and putting. All in all, the youth golfers had a great season! **Hats off to a great team of volunteers this year!**

### To: Our Membership

It has been a joy to see all of the positive energy and activity at the club this summer. We are so thankful that HCC gets to be a part of making memories for our members, and we can't wait to see what the rest of the golf season holds. We hope that if you have any questions or suggestions for the club, please contact us.

We have a number of new members, if you see someone you don't know, please introduce yourself, and make our new members feel at home!

We appreciate the support that you have given to Club as we can't do it without you!

With best personal regards,
