

2022 Holdrege Country Club

Golf League

2022 HCC Golf League will be played Tuesday nights!

Eligibility: Open to all Holdrege Country Club members, 18 years of age and older.

The league will consist of two person teams playing 9 holes per week. Each week, teams will compete in match play format against another two person team. Low handicap player will play low handicap player of the other team and higher handicap player will play the higher handicap player of the other team.

Handicap: Handicaps will be figured off of GHIN handicap system. **ALL players must have GHIN handicap.** Please get those paid early. I will enter league scores into the GHIN system each week. DO NOT enter your own score as it will get counted twice. We are using the GHIN tournament manager software again this year.

Cost: \$100.00 per team. League is limited to a maximum of 36 teams split into 2 divisions.

Season: The 2022 season will begin Tuesday, April 26, 2022 and run through August 16, 2022 (17 weeks). Any rainouts or cancellations will be made at my discretion no later than 3:00 PM day of play.

Start Time: Play will begin at 6:00 PM each Tuesday night (Shotgun Start) Going back to pre covid start time.

We will still base payouts on 2 divisions, but the schedule this year will be made against all teams signed up for league and not limited to those in your division. This will not allow a guarantee of alternating nines each week, but this will give all teams the opportunity to play more teams and with different people.

To enter, please contact me via phone, text or email with team name and players' names and I will get you entered.

Please make checks payable to Chris Fahrenbruch.

Venmo: @Chris-Fahrenbruch

Hope to see you all there!
